

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

ARKANSAS

Arkansas Economic Development Commission – Energy Office

REBATES AVAILABLE

Rebates are scheduled to begin March 15, 2010. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at www.AR.state-rebate.com.

PRODUCT		REQUIREMENTS	AMOUNT
Clothes Washers		ENERGY STAR qualified.	\$175
Refrigerators		ENERGY STAR qualified.	\$125
WATER HEATERS	Electric Heat Pump	ENERGY STAR qualified. Has an Energy Factor (EF) of at least 2.0.	\$200
	Gas Storage	Has an Energy Factor (EF) of at least 0.67.*	\$200
	Gas Tankless	ENERGY STAR qualified. Has an Energy Factor (EF) of at least 0.82.	\$200

*Exceeds current ENERGY STAR criteria.

HOW TO APPLY

Rebates will be issued to consumers who mail an application packet that includes proof of purchase of an eligible product and documentation from either a participating retailer that the replaced unit was hauled away or from a recycling center that the replaced unit was received. Rebate applications must be submitted within 30 days of purchase. Rebates will be paid on a first-come, first-served basis. Rebates are not retroactive.

Additional information will be provided on the program sponsor Web site as it becomes available.
